

How to implement new parks, a plaza and open space?

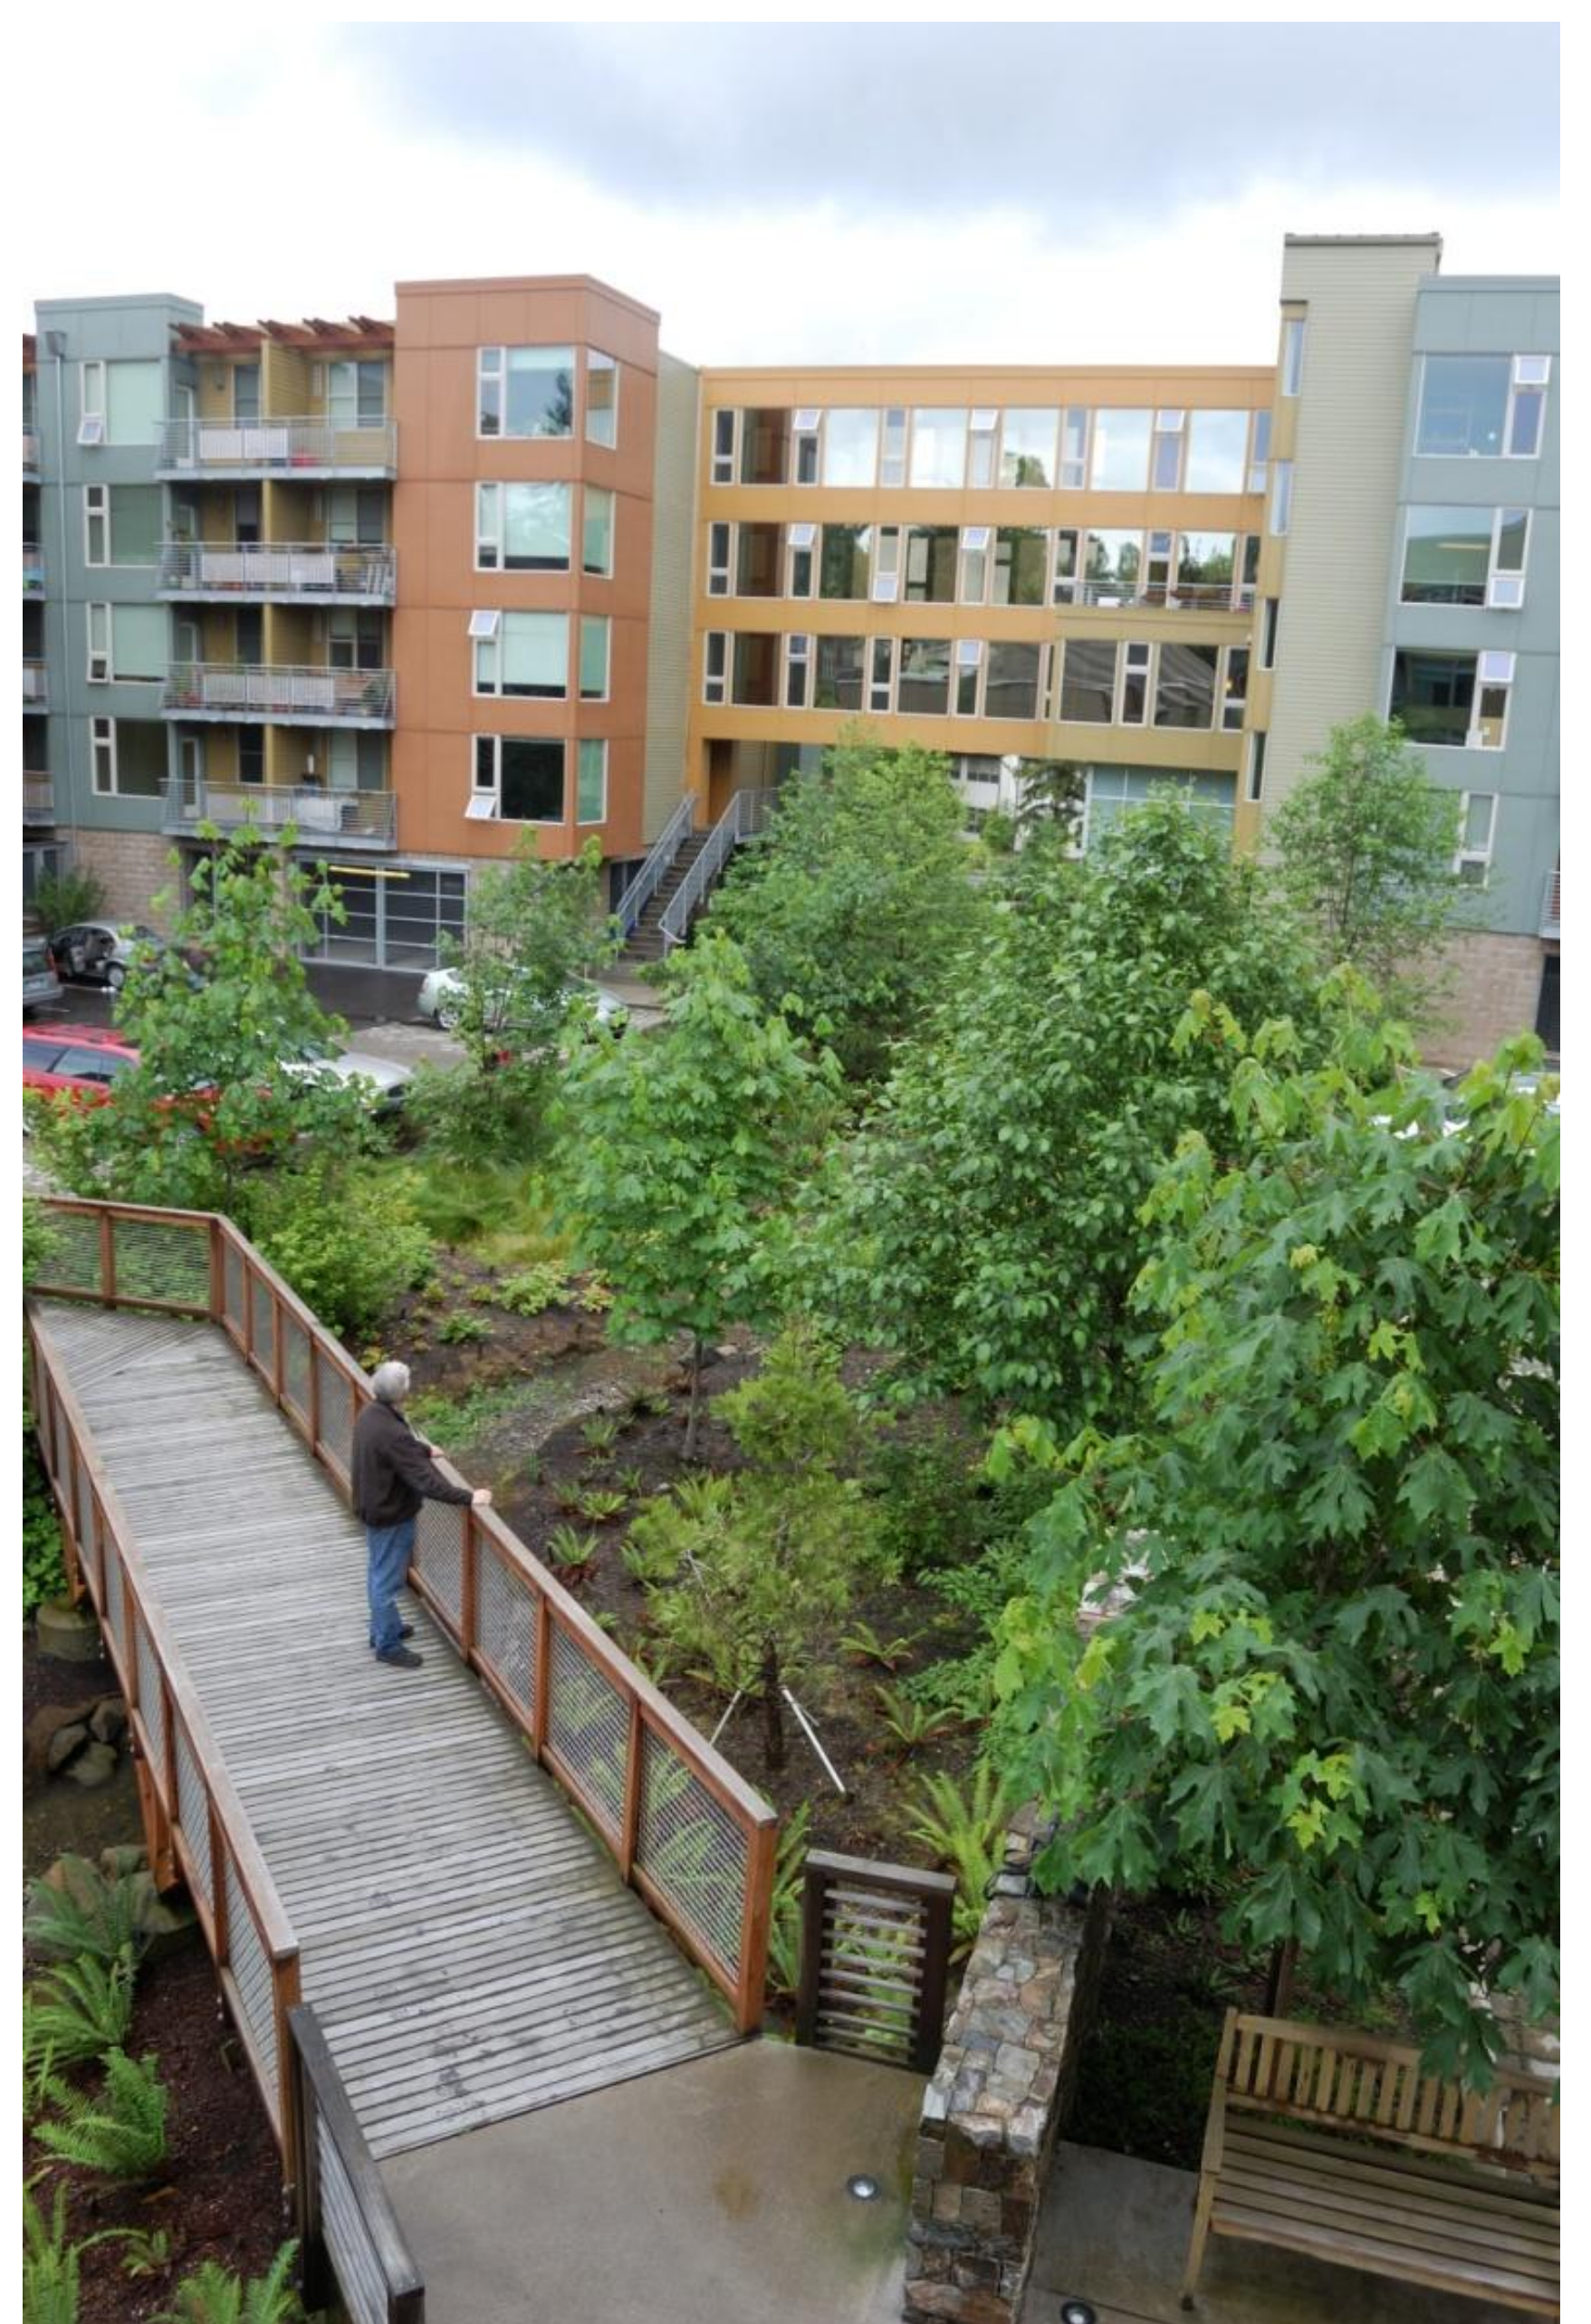

The Subarea Plan Envisions:

- 2 new neighborhood parks (N3, N4)
- A civic plaza (CP) connected to the 130th Ave. NE retail street
- Open space along Goff Creek
- Green connections along the NE 16th St. corridor

Need parks example and plaza example

Question:

Concept for integrating new parks, plaza and stream restoration with new, neighborhood development.
